We are proud of what we have achieved for the owners, residents, and businesses in the District and look forward to presenting this information to you. The past year has been especially productive and we have exciting plans for the years ahead. More importantly, our report presents another opportunity for us to hear from you. Enclosed is a brochure highlighting our accomplishments from the last year. If you have any questions or concerns regarding our projects or programs, we invite you to attend this gathering or contact our office.

Please Note: there is no change in your Westchase District Assessment for 2019. It will be the same as 2018.

As part of our Report to the Community, we request an email in support of the District and its projects. Please email this to Dave Gilkeson at dgilkeson@westchasedistrict.com. You may also use this communication for ideas for us to continue developing Westchase District into a first-class community.

We thank you for your support and look forward to working with you in the year ahead.

Sincerely,

**Philip Schneidau
Chairman of the Board
